Three letters from

Emanuel

Dear Honored Donors,
We would like to thank you for all the chesed that you do for us. You have no idea how much you help us and lighten our burden through the chickens that you send us. Hashem should watch over you and multiply your sechar. You should continue doing chesed with health and nachas from your children. Amen.

Thank you,

H***i Family

Dear Honored Donor,
With this letter, I would like to thank you very much for the important donation which helps us so much. You should know that if the chicken distribution would not take place, we would absolutely not be able to buy chickens, the same way that we are not able to buy other food items. This is such a tremendous help for us.

Signed,

A father of 6.

Shalom u'Vracha,
I am a mother of 9 children, ka"m. For a long while already, we are enjoying your generous donation of 10 fresh chickens, nicely packaged. Before this help was offered to us, I would not prepare a fleish meal all week. Only on Shabbos did we buy chicken, and even then, it was very sparingly. Now we are able to have chicken once during the week, and it gives the entire family such a wonderful feeling.

After all these months, where we have been receiving the chickens regularly, and we are getting used to this luxury, I feel it is my obligation and my zechus to thank you, those who are involved in the holy task of helping others. I would like to bench you that you should see bracha and hatzlacha in everything that you do with nachas from your children in health, and happiness.

Again, thanks very much,

Z****r Family
