

CHICKENS FOR SHABBOS

and the rest of the week.

Run under the direct auspices of Rabbi Fabian Schonfeld Shlita & Rabbi Doniel Lander Shlita

In honor of the dear donors of Of L'Shabbos, Shalom Rav!

"זכותם ככוכבים המזהירים כזוהר הרקיע!" (Your zechusim are like stars that brighten the sky!)

We would like to thank you from the depths of our hearts for the vouchers for chickens for Shabbos and Yom Tov.

We have ten children, three of whom are married. Even without any unusual expenses, and though we are people who are satisfied with the minimum, we have great difficulty finishing the month.

We can describe how our Shabbos table looks. Our home is filled with children of all ages, younger and older, and they are all requesting a portion of chicken. But there is none to be had! (And the parents only eat the children's leftovers). There is a caterer who donates chicken wings to needy families, and sometimes we are fortunate to receive them. When our twelve year old son saw the chickens, he exclaimed, "so now we will eat a portion of chicken, and not just wings?!"

Your help reached us today, at the right time. The burden of debt is weighing heavily on us. Each child that gets married increases our already overwhelming debt. Any additional financial strain is too difficult to bear, so how can we buy chickens for Shabbos? Who can even think about the weekdays?

Your donation helps us and lightens our load in a very literal way by supplying us with our very basic needs. Just when our burdens were threatening to engulf us, when we were up to buying just bread, a מלאך מרשיע appeared and brought bracha to our home! And your chessed is done in the most honorable fashion. We are able to go to the store and take it from there, as if we alone paid for it. We have a very great sense of appreciation for your important donation, which is done with such willingness and generosity.

Your great zechus will stand by your side, that we can now honor Shabbos properly. From today, you are the hatzalah of our family, whose burden was great.

May you have much nachas from your children and grandchildren. May they always be involved in Torah, Mitzvos, and Ma'asim Tovim. May you have an abundance of nachas. May you hear, see, and witness, only simchas with health for many long years, and may you have a lot of siyatta dishmaya. May Hashem repay you for your deeds, for He will surely pay you in full. You should see bracha in all that you do and Hashem should accompany you always.

Those who appreciate the good and admire you,

Yochanan E., Yerushalayim

Chickens For Shabbos now feeds over 10,000 adults & children a month.
